

## PRODUCT

# Standard Mop Head and Handle Set

## TECHNICAL DATASHEET

### DESCRIPTION

Our standard mop head and handle set come fully equipped with an adjustable lightweight handle and a stainless steel swivel mop head frame.

This mop is designed to effectively keep your critical environment clean, maintaining continuous surface contact with hard-to-reach areas.

Ideal for mopping in an “S” motion, collecting solid particles during use with accurate balance for non-flipping. Swivel locks into any position for maximum contact pressure. The contaminated mop or sponge head is easily replaced with a quick squeeze to release the frame-locking mechanism.

### FEATURES

- Easy to fit
- Low profile mop frame
- Ergonomic handle grip
- Chemical resistant

**Note:** Mop head must be used in combination with one of our mop head wipes or sponges.
